

# League of American Orchestras

---

With the support of our valued donors, the League continues to have a positive impact on the future of orchestras in America by helping to develop the next generation of leaders, generating and disseminating critical knowledge and information, and advocating for the unique role of the orchestral experience in American life before an ever-widening group of stakeholders.

We gratefully acknowledge the generosity of the following donors who contributed gifts of \$750 and above in the last year, as of May 3, 2022. For more information regarding a gift to the League, please visit us at [americanorchestras.org/donate](https://americanorchestras.org/donate), call (212) 262-5161, or write us at Annual Fund, League of American Orchestras, 520 8th Avenue, Suite 2005, 20th Floor, New York, NY 10018.

### The Helen M. Thompson Heritage Society

Named after the League's first executive director and a passionate advocate for American orchestras, The Helen M. Thompson Heritage Society recognizes the visionary individuals who have not only provided essential support to the League through a planned gift, but have led the League through service on its Board of Directors. Helen's own generous bequest to the League established an annual award to recognize the achievements of young orchestra professionals.
