

# FLOW

81<sup>ST</sup> NATIONAL CONFERENCE

JUNE 1-3, 2026 | BALTIMORE, MD

BALTIMORE MARRIOTT WATERFRONT

## Orchestra Board Member Forum

Join us for the **League of American Orchestras' National Conference**, which features educational content curated specifically for board members, along with time for peer discussions and networking opportunities. The **Orchestra Board Member Forum** aims to provide learning on topics from fundraising to leadership and governance, all designed to help you and your board lead effectively. Join hundreds of industry professionals and other board members at the field's biggest professional development event and return to your orchestra board with new ideas and insights to help your organization reach greater success!

### Highlights Include:

- ~ **Raising the Bar on Board Engagement**: a pre-Conference seminar on good governance principles and engagement for boards of all size orchestras
- ~ **Board Member Roundtables**: closed-door sessions for board chairs/chairs-elect and board members to participate in facilitated conversations broken out by group size
- ~ **League Board President Alan Mason in conversation with Ann Meier Baker, Retired Director of Music and Opera at the NEA**
- ~ The launch of a new edition of the League's **Effective Orchestra Governance** guide

Plus, network with industry leaders and other board members and enjoy performances by the **Baltimore Symphony Orchestra** and other Baltimore-area orchestras!

During this year's Conference, members of the **League's Board of Directors** will serve as Conference buddies for orchestra board members. Don't miss this unique opportunity to network, learn, share, and be inspired!
