CAESAR SINGS NAT "KING" COLE

FOR TODAY'S AUDIENCE

"Caesar, you've got it! Singing my father's music isn't easy."

- **Natalie Cole**

Caesar is a Capitol-recorded baritone vocalist who performs in multiple languages. His tribute album to Nat King Cole, recorded at Capitol Studios, was engineered by **23-time Grammy Award winner, Al Schmitt**. They used the same microphone and Steinway piano that Nat King Cole utilized in the 1950s, just one week after Schmitt engineered **Paul McCartney's "Kisses"** album. Additionally, Caesar was selected to **tour the world with Julio Iglesias**, who has sold over **300 million** records before the internet era and he has also **headlined in 2023 at The Kennedy Center with a 60-piece Pops Symphony Orchestra**.

"Caesar, you are all first rate musicians and so lovely to be with. I'm not sure who had a better time: the audience or the musicians! I've never seen so many smiles on stage during a concert. Not kidding!"

Elizabeth O'Bannon - Concert Master

Monroe, Shreveport and South Arkansas Symphony Orchestras
